## ABOUT UNIVERSITY

Mahayogi Shri Gorakhnath and his glorious legacy of social service and upliftment of the downtrodden are being taken up to the next level through the establishment of Mahayogi Gorakhnath University Gorakhpur. This revolutionary academic endeavour agglomerating Yoga, Ayurveda, medical education, higher studies in different disciplines of science & technology with employment oriented vocational courses.

Shri Gorakshpeeth is a Siddhpeeth. This is Tapsthali of Mahayogi Guru Shri Gorakhnath the incarnation of Lord Shiva. This Peeth provides continuity to Sadhana and Siddhi and is the highest Peeth of Nath Panth.

Shri Gorakhnath Temple has made education and health its main medium/vehicle to serve the people and hence the nation. The aim of founding 'Maharana Pratap Shiksha Parishad' by Yugpurush Gorakshpeethadheeshwar Mahant Digvijaynath Ji Maharaj was in fact manifestation of his aforementioned vision and intention. In fact, Deen Dayal Upadhyaya Gorakhpur University, Gorakhpur, has been the result of the educational revolution/renaissance in eastern Uttar Pradesh started by 'Maharana Pratap Shiksha Parishad' at the dawn of independence.

The Maharana Pratap Shiksha Parishad has been established by Yugpurush Gorakshpeethadheeswar Brahmleen Mahant Digvijaynath ji Maharaj. The Parishad acknowledges the fact that any nation is basically identified and recognised by its distinguished culture. The culture of any nation is made of and is sum total of their best national and social practices, values and ethos. Best social practices and value development is a continuous ongoing process and are nurtured and derived from the traditions and progressive evolution of the society/nation.

Keeping in view the above perspective in mind and to achieve the intended goal, Yugpurush Brahmleen Mahant Digvijaynath ji Maharaj founded 'Maharana Pratap Shiksha Parishad'. The intended goal of 'Maharana Pratap Shiksha Parishad' is crystal clear- to prepare and mould

## The Vision

the young generation which is committed and dedicated to our nation 'Jagadguru Bharat'. Our work-culture, incorporates in it faith, dedication, sacrifice, transparent lifestyle and sustained efforts to achieve the required goal and objective. The laid down path is the path carved in the light of our eternal Sanatan values, religion, sublime spirituality, and of course welfare of our people. Educational and training institutions of 'Maharana Pratap Shiksha Parishad' are committed to ensure the holistic development of their students by organizing various academic, cultural and social programmes/activities in addition to study and teaching. This is the ultimate and supreme goal rather

To train, educate and groom future generation of Indianized citizens fully imbued in the ethos and values of Indian culture who is patriotic, devoted and dedicated to the cause of nation, with the motto 'राष्ट्रहित सर्वोपरि Nation First'. Keeping this motto in perspective, introducing them to the Indian culture centric philosophy of life and making them aware of eternal Indian knowledge tradition with a mind-set of dedication and devotion to serve the people. They are educated and trained in a work culture which leads them to public service in various fields of social and national life. Our aim of Health and other public service-oriented projects is to ascertain our contribution in the field of public welfare, serving the people and humanity by nursing, nurturing and conserving the nature and our natural resources and inspire and motivate others especially those who are associated and active in the education and health sectors to participate and contribute in the Yajna of social and national service. Furthermore, for us modern education system is a useful and helpful tool to accomplish and achieve our goal of imparting Bharat centric education to our future generation. Our all the institutions including medical institutions are in fact vehicles to achieve our well enshrined mission of serving the people in myriad ways.

## The Aim

Our aim is help to develop competent, responsible and efficient citizens of tomorrow imbued in Indian value system which inculcates in them character, morality, courage of conviction and highest order integrity, ever ready to serve the nation in any role which is assigned to them or they opt the role of their choice themselves. Moreover, to prepare such skilled forceful and capable citizens who are having syncretic view of material and spiritual life and use acquired knowledge to empower and evolve themselves and to serve the people. Preparing such citizens whose life mantra is

न त्वहम् कामये राज्यम् न स्वर्गम् न पुनर्भवम्।  
कामये दुःखतप्तानाम् प्राणिनामार्तिनाशनम्॥

**In other words** - I do not wish for a kingdom, I do not want heaven and salvation. It is my wish to be able to help in alleviating the suffering of people.”

religion of ‘Maharana Pratap Shiksha Parishad’ and its institutions.

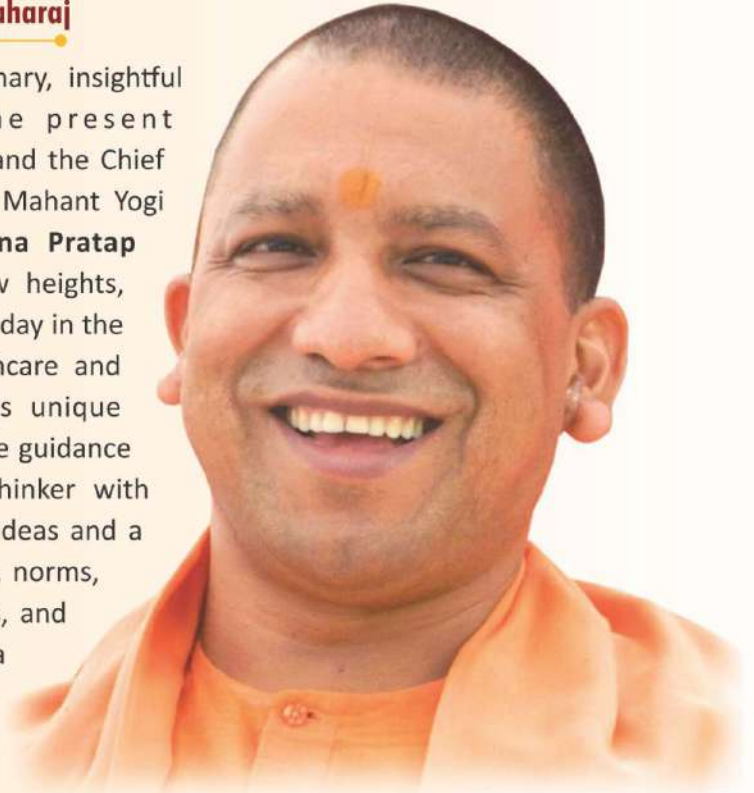

The ‘Mahayogi Gorakhnath University Gorakhpur is one of the Maharana Pratap Shiksha Parishad’s most ambitious and important project with the inauguration of this university on August 28, 2021, by Shri Ram Nath Kovind ji the Hon’ble President of India, is a significant big step forward rather culmination of its ‘Bhagirath Prayas towards achieving the goal of making Gorakhpur a “City of Knowledge” as desired by our Hon’ble President Shri Ram Nath Kovind ji, has been accomplished. This university is a multidisciplinary ambitious service project of Maharana Pratap Shiksha Parishad.

## AN INSPIRATIONAL LEADERSHIP

**An Inspirational, Exemplary, Religious, Spiritual and World Renowned outstanding Political Leader, Founder Chancellor of Mahayogi Gorakhnath University Gorakhpur - Poojya Mahant Yogi Adityanath Ji Maharaj**

Under the inspirational, visionary, insightful and able leadership of the present Peethadheeswar of Gorakshpeeth and the Chief Minister of Uttar Pradesh, Poojya Mahant Yogi Adityanath ji Maharaj, '**Maharana Pratap Shiksha Parishad**' is attaining new heights, milestones, and glory every passing day in the various fields of Education, Healthcare and Welfare services by virtue of its unique special work culture. Under the able guidance of Param Poojya Maharaj ji, a thinker with numerous innovative and creative ideas and a passion for creating new traditions, norms, and conventions on a regular basis, and an ardent nature lover with a scientific bent of mind, the various institutions of '**Maharana Pratap Shiksha Parishad**' are being appreciated and recognised far and wide by the entire cross-section of society.

Sustained and ceaseless efforts of Maharaj Ji since 2005 started showing results on the ground in 2013. A hi-tech multidisciplinary ultra-modern university, Mahayogi Gorakhnath University Gorakhpur has been established on the outline of a long-term, well thought-out, and well-conceived plan. Yogi Adityanath ji Maharaj, the founder and Chancellor of Mahayogi Gorakhnath University Gorakhpur, provides an exclusive character to the university, which is proposed to be a modern model university equipped with cutting-edge educational and medical technology facilities, as well as the necessary infrastructure. This university is going to be the backbone of Gorakhpur in the educational and medical fields, a city that is evolving and developing into an educational hub called "Knowledge City".

**Yogi Adityanath**

## Vice-chancellor

**Major General (Dr.) Atul Bajpai, Retd.**

Mahayogi Gorakhnath University Gorakhpur stride hard to improve higher education for a dynamic and inclusive society through development and dissemination of knowledge. It strives to deliver high-quality education so that students can face local, national, and international challenges. The degree should not confine a means of livelihood or study or a profitable career, but they must be confident and competent to contribute to the nation's progress.

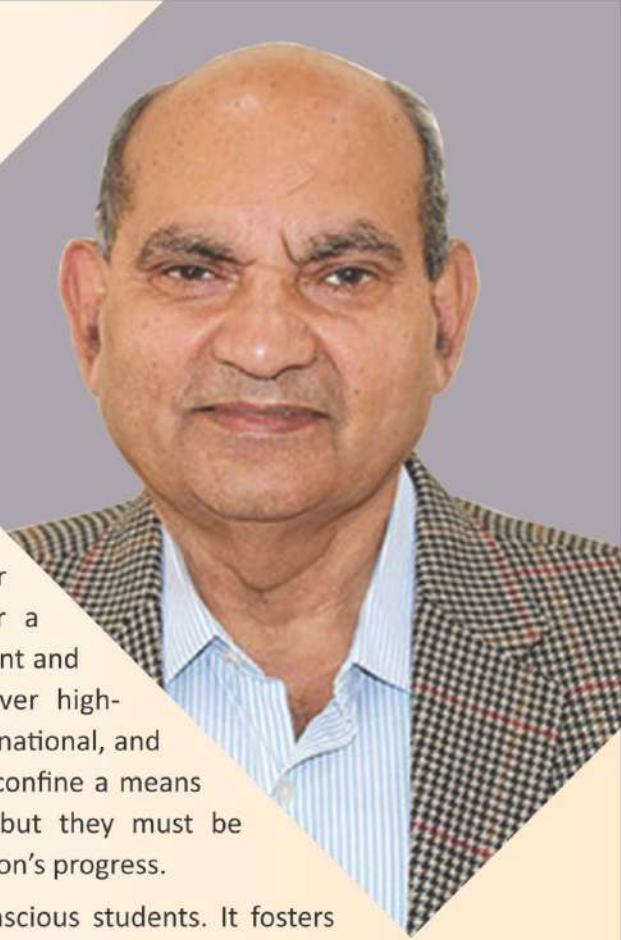

Education attempts to generate socially conscious students. It fosters academic and recreational activity.

Highly qualified professionals are dedicated to teach at the university. It hosts national and international conferences, seminars, and workshops. Such events give students career-beneficial skills like cooperation and leadership. Our faculty carries out high-quality research which is published in high-impact journals. Campus professors and students interact regularly. Campus learning initiatives help students develop holistically.

The university offers e-learning, e-connect, a scheduling system, a document management system, and virtual classrooms. Curricular, co-curricular, and extracurricular activities impact on the physical, mental, and intellectual growth of the students.

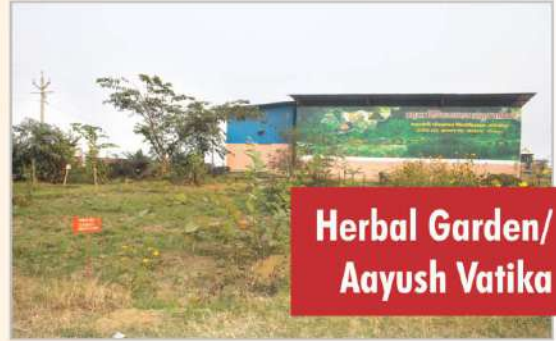

I wish all the admission seekers and assure that we will support you as you pursue your ambitions despite the various social, cultural, and economic backdrop. You'll make the University proud.

**Major General (Dr.) Atul Bajpai, Retd.**  
Vice-Chancellor

# INFRASTRUCTURE AND FACILITIES

**Herbal Garden/  
Aayush Vatika**

## Center of Wellness (Panchkarma)

*"Sama dosha sama agnischa sama dhatu mala kriyaaha |  
Prasanna atma indriya manaha swastha iti abhidheeyate"*

– Sushruta Samhita

Individual is in perfect health when all Three doshas (Vata, Pitta and Kapha), Digestive fire (Agni), all the body tissues (Dhatu) and all the excretory functions are in perfect order and balanced with happy senses, mind and soul.

- ☞ Panchakarma is required to maintain the normalcy of Dosha, Dhatu, and Agni.
- ☞ Panchakarma is one of the unique branches of Ayurveda.
- ☞ Panchakarma refers to five different treatments for detoxification & rejuvenation of the body.

**The Panchakarmas are :**

- Vamana
- Virechana
- Nasya
- Basti
- Raktamokshana

*Bhaspa Sweda*

*Droni*

*Panchkarma Centre*

*Dialysis Centre*

## Hospital

Ultramodern medical facilities, therapy care, and services are available in the university campus. All the facilities in the hospital are available being it a team of expert doctors and round the clock emergency services for diagnosis and treatment. Various facilities available are as follows:

- OPD for all major specialities
- 26 Bedded ICU
- 350 Bedded Indoor Hospital
- OT – 4
- Labs – 2
- Ultra sound/X-ray
- Dialysis centre
- Diagnostic facilities
- Optometry Lab
- Pharmacy

*Modern Operation Theatre*

## Students' hands-on at the hospital

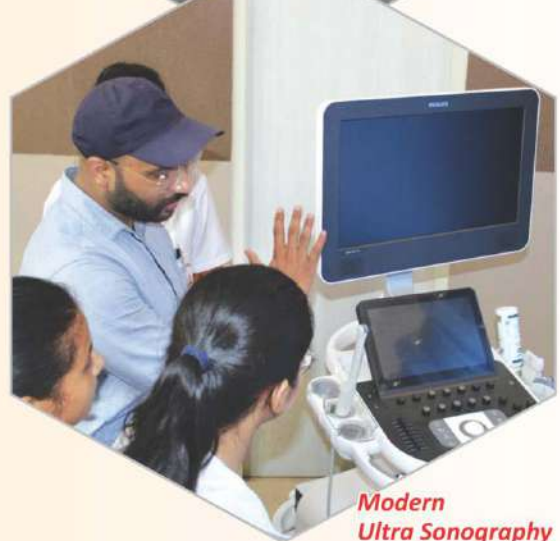

*Operation Theater*

*Optometry Lab*

*Ultrasound*

*Modern Ultra Sonography*

## Laboratories

*Advance Nursing Lab for Teaching*

**Child Health Lab (Nursing)**

**Foundation Lab (Nursing)**

**Pre-Clinical Lab (Nursing)**

**Physiology Lab (Ayurveda)**

**Anatomy Lab (Ayurveda)**

## ICT-Enabled Class Rooms

Unprecedented potential for teaching and learning is provided by the amazing rise of communication technology, computer networks, and information technology, as well as their integration. ICT, or information and communication technology, has the power to change how and what is taught. An ICT-supported environment is interactive, flexible, and easy to use. This makes it possible for both teachers and students to access and share ideas and information in a variety of ways.

ICT-enabled teaching techniques are used on university campuses in every possible

way and aspect. Most of the classrooms are equipped with smart boards to enhance ICT-enabled teaching and learning and are also equipped with LCD projectors.

## Library

You are welcome to the Central Library of Mahayogi Gorakhnath University Gorakhpur situated in the holy land of Mahayogi Shivavatari Guru Gorakhnath. The library is equipped with Wi-Fi and remains open 24 hours. In the central library, university-level course-related and reference books are available.

On almost every subject and field, national and international research journals and magazines in Hindi and English are subscribed and are available in the library. The arrangements for proper and comfortable sitting and reading for all the users of the library are in place. It is noteworthy to mention that the functioning of the library is fully computerized.

## Seminar Hall / Auditorium / Conference Rooms

The Mahayogi Gorakhnath University Gorakhpur (MGUG) regularly holds national and international conferences and seminars on various themes and specialties. In order to adapt the diverse needs of the participants and the presenters, the University has a number of seminar and conference halls. The seminar hall in the Guru Gorakhnath Institute of Medical Sciences (Faculty of Ayurveda) is an all-time favourite for holding interactions among a group of 200 people. Besides, it also holds conferences and seminars through video conferencing, which is housed in a hall to accommodate around 40 persons. The Sri Guru Gorakhnath College of Nursing has an open theatre with a capacity of 600 students and a round-table seminar hall.

*Ayurveda Board Room*

*Conference Room*

*University Auditorium*

## Computer Centres

The university has a modern computer centre, currently running on a Gigabit LAN with **1 Gbps** of internet bandwidth. It is the nucleus of all computing activities for students, staff, and faculty members. Several terminals running on **Windows and GNU/Linux** operating systems across the campus provide access to several licenced software programmes, like Matlab, Mathematica, Cadence, Mentor Graphic, Ansys, PSCAD, and Solid Works. An **802.11**

**b/g/n** Wi-Fi service is enabled in the academic and residential areas. Also, the Computer Centre hosts a high-performance computing cluster for scientific research and conducting online examinations of different agencies.

## Mess/Canteen

The university offers an excellent choice of places to eat on its campus. University has three canteens, which offer multi-cuisine menus ranging from Indian to Continental, shakes, juices, and other beverages in a modern and hygienic ambience (with one exclusively for girls).

## Hostels

Mahayogi Gorakhnath University Gorakhpur has two hostels, for girls and boys. The girls hostel name is Maa Pateshwari Sevashram, which has 169 rooms and a 361-student capacity with full facilities, and the boys hostel name is Mahant Gopalnath Sevashram, which has 255 rooms and a 510-student capacity with full facilities. Both the hostels are well equipped with the necessary modern and up-to-date facilities and services. The hostel rooms are fully furnished and are well equipped with Wi-Fi and other necessary electrical fittings. Every hostel has a warden and superintendent to ensure discipline and security in the hostel. First-year students are allotted double or triple sharing bedrooms depending on availability. Senior students are assigned single or double sharing rooms based on their age.

### Facilities available in Hostels

- 24x7 Hot and cooled water supply.
- 24x7 Power supply.
- Internet connectivity through Wi-Fi system.
- Sport's facilities
- Television Rooms, Study Rooms, Cafeteria, Entertainment Rooms etc.

Particulars	Girls Hostel		Boys Hostel	
	No. of Rooms	Students Seating Capacity	No. of Rooms	Students Seating Capacity
Single Seater	37	37	50	50
Double Seater	72	144	155	310
Triple Seater	60	180	50	150
<b>Total Capacity</b>	<b>169</b>	<b>361</b>	<b>255</b>	<b>510</b>

## Guest House

A lot of scientists, scholars, and other guests from all over the country and the world visit the university often. To ensure their stay or living is comfortable and happy, the university has well-furnished AC or non-AC single or double bedrooms and family apartments in the guest house. Moreover, VVIP and VIP suits are also available in the university guest house. The guest house is one of the most vital and important components in the university campus, as it plays an important role in both university and corporate life.

## ATM and Bank

## Activities of Students

## National Service Scheme (NSS)

The national service scheme unit has been started since 2022 in Mahayogi Gorakhnath University Gorakhpur. Under this national service scheme, there are eight units (with 800 students) operating, that are quite eager and striving to fulfil the planning and purpose of the national service scheme.

## National Cadet Corps (NCC)

NCC of one sub unit has been started since 2023 in Mahayogi Gorakhnath University Gorakhpur. Under this NCC, University has 102 UP Bn Army wings of NCC. Total cadet's strength in both wings is 106 (53SD + 53SW).

## Internal Quality Assurance Cell (IQAC)

To maintain the quality standards in teaching and research university has established IQAC cell with the following's goal:

1. To develop a quality system for conscious, consistent and catalytic programmed action to improve the academic and administrative performance of the university.
2. To promote measures for institutional functioning towards quality enhancement through internationalization of quality culture and institutionalization of best practices.
3. To facilitate the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.

## Research and Development Cell (RDC)

University has established RDC cell as per guidelines of UGC and Uttar Pradesh Higher Education Department to promote the research activities in context to human welfare and society in its various departments. University has started PhD programmes in Ayurveda, Nursing, Biotechnology, Medical Biochemistry and Agriculture etc. from the session 2022-23 (Even Sem.). The details of the PhD programmes and its requirements are given in department wise programme list.

## Placement Cell

University placement cell is essential for students to prepare for their upcoming step into the professional world and relieve stress. It helps students to get placed in a job profile they want according to their qualifications and skills, and bridge the gap between preconceived notions and reality. It also helps students to understand the realities of the industry and show the right place where they fit. Additionally, placement cell helps students prepare for job interviews, and increase awareness, to be placed in good companies.

## Guru Gorakshnath Institute of Medical Sciences (College of Ayurveda)

### Objectives

Guru Gorakshnath Institute of Medical Sciences (College of Ayurveda) has the basic structure of the traditional system of Ayurveda has been developed on refined and ideal standards. Every effort has been made to establish all the eight forms of Astang Ayurveda the eight Branches of Ayurveda. In which Kayachikitsa, Kaumabhritya, Graha (virology), Urdhvaang (Salakya Tantra), Shalya, Drashta (Toxicology), Jara (Chemistry), are available in form of Vajikaran department.

S. No.	Programme	Duration	Intake	Eligibility Criteria	Fees (Rs/year)	Career prospects
1.	BAMS	5.5 years	100	10+2 with PCB	265800	Clinical Practice Academic Research Management & Administration Drug Manufacturing

## Guru Shri Gorakshnath College of Nursing

### Objectives

The students of this institution on completion of nursing program will be able to: -

- ☞ Identify health needs of individuals, either in the institution or in the community and take appropriate steps whether they are ill or well.
- ☞ Develop knowledge, skill and attitude with scientific principles in health care delivery system.
- ☞ Develop ability to think and act independently accepts responsibilities as an individual and citizen.
- ☞ Utilize the domains of nursing to provide clinically competent and culturally sensitive nursing care to diverse patients/clients, families, groups and communities in a variety of settings.
- ☞ Work collaboratively with patients, family's communities, interdisciplinary health team members, and others in providing nursing care.

1	Diploma in Optometry	2	30	As per UPSMF*	30,000/-
2	Diploma in Anaesthesia and Critical Care Technician	2	30	As per UPSMF*	55,000/-
3	Diploma in Orthopaedic and Plaster Technician	2	30	As per UPSMF*	55,000/-
4	Diploma in Lab. Technician	2	60	As per UPSMF*	55,000/-
5	Diploma in Emergency and Trauma Care Technician	2	30	As per UPSMF*	55,000/-
6	Diploma in Dialysis Technician	2	30	As per UPSMF*	55,000/-

\*Uttar Pradesh State Medical Faculty

## Faculty of Allied Health Sciences

### Objectives

In the high-tech healthcare profession, qualified technologists are in high demand. The technological advancement and medical professionals strive to give superior health care. Mahayogi Gorakhnath University Gorakhpur is recognized by University Grant Commission (UGC). The Faculty of Allied Health Sciences (FAHS) established in 2022 with three departments. Faculty of Allied Health Sciences is offering various Undergraduate and Postgraduate programmes. Critical thinking skills are reinforced in FAHS students through enthusiastic faculty members and real-world initiatives. Students will also learn how to communicate effectively with others on a personal and professional level, as well as how to understand professional, ethical, and societal duties. Most strikingly, students acquire first hand research experience as part of the curriculum through a highly inventive initiative that will result in scientific papers and patents.

## Faculty of Agricultural Sciences & Allied Industries

### Objectives

Modern agriculture requires well-trained agriculturists. Increasing production and productivity without negatively impacting the environment is a primary goal of agricultural technological developments. Mahayogi Gorakhnath University Gorakhpur was recognised by the University Grants Commission (UGC) in 2021. The Faculty of Agricultural Sciences and Allied Industries (FASAI) was established in 2022 with bachelor's and doctoral programmes. Instructors of FASAI instil in their students the ability to think clearly by drawing on both academic theory and practical initiatives. Prepares students to manage agri-businesses, conduct agricultural research, lead field surveys, and oversee a variety of farming operations. Students will learn not only how to interact with others in a formal setting, but also how to develop positive relationships with others in the midst of personal difficulties. Most significantly, a highly creative research plan/training/project that will result in scientific papers, facts and articles is incorporated into the curriculum to give students real-world experience in research. The student participants should be quite proud of themselves.

**Programmes offered** (as per ICAR norms, compliance with CBCS):

S. No.	Programmes	Duration	Intake	Eligibility Criteria	Fees (Rs./Yr.)	Career Prospects
i.	B.Sc. (H) Agriculture	4 Year	60	10+2 in PCB, PCMB, PCM, Inter-Agriculture with at least 50% (45% for SC/ST/PWD/third gender) or equivalent grade. <b>*Minimum 16 years of age as on 31/08/2023 are eligible to apply for the examination.</b>	50000	<ol style="list-style-type: none"> <li>1. This degree gives students government and private sector chances.</li> <li>2. Government agencies like NABARD, IFFCO, CWC, NSC, FCI, and banks provide potential job opportunities to BSc (Hons) Agriculture graduates.</li> <li>3. After completing graduation, they can sit for the JRF and pursue advanced degrees such as MSc Agriculture and MBA Agribusiness. These professional paths also provide various excellent opportunities in the agricultural sector.</li> <li>4. Certain skill sets, such as agri-preneurship, research instincts, management of agricultural operations, etc. Are also developed in agriculture graduate students.</li> </ol>

## Applications fee details

S. No.	Particulars	Categories	
		SC/ST in Rs.	Others in Rs.
1	Application for single programme	300	500
2	Application for two programme	500	700
3	Application for three programme	700	1000

**Note :** An applicant can apply for a maximum of three programmes. The application fees for more than one programmes will be charged as mention given above categories wise.

## General Guidelines and Information For Admission

The following procedure shall be followed for selection of the candidates for admission to various programmes:

1. The minimum eligibility and number of seats for admission to various courses will remain the same as per the information brochure 2023-24. Kindly visit University Website for more details and changes/updating (if any).
2. Before filling out the Admission Application Form, the candidates are required to read the information brochures, guidelines/instructions available on the university's website carefully. Candidates will submit their Application Forms online on the University website: <https://www.mgug.ac.in> for admission to various programs, and a printout of the admission application form filled in online, along with Xerox copies of relevant documents and the receipt of the fee, should be submitted during the physical counseling. The candidates have to bring the original documents for verification.
3. Always quote your Application No. & Fee Receipt No. for reference while making correspondence regarding admission to the programs offered by this University.
4. If during the preparation of merit lists, the admission committee finds any discrepancy, the admission form may be rejected directly or an email may be sent to the candidate for online resubmission of the document within a given period of time.
5. The merit lists will be displayed on the university website as per the schedule mentioned in the information brochure or displayed on the website. No separate communication shall be sent in this regard.
6. The candidate whose name appears in the merit list has to appear for physical counseling in the concerned Department for the document verification. If, the candidate is selected, he/she has to deposit the fee online or at the university fee counter within the stipulated time, or else his/her seat will be considered vacant and a seat shall be offered to the next candidate from the merit list.
7. The mere possession of the prescribed academic qualifications does not entitle a candidate to admission to the program. Candidates would be required to fulfil all the conditions as spelled out in the information brochure.
8. The eligibility of the candidates shall be ascertained at the time of preparing the merit list; however, the admission seekers are required to ensure that they possess the prescribed qualification for the programmes for which they are seeking admission.
9. If, the concerned authorities are not satisfied with the character/antecedents of a

candidate, they may refuse to admit him/her to any course of study in the University/College in order to ensure academic standards, discipline, and peaceful atmosphere in the University.

10. If a candidate is admitted on the basis of information submitted by him/ her but at any subsequent time, it is discovered that any portion of this information is incorrect or false, the student shall be refused from the University and all fees and other dues paid till the date of such removal shall be forfeited. Candidates are banned for future admission in university.
11. All admissions are provisional and subject to verification of documents, which is approved by the competent authority.
12. No plea about the ignorance of the rules and regulations and other provisions of admission will be entertained.
13. As regards the rules of promotion etc., students will be governed by the provisions of the University ordinances.
14. The rules relating to anti-ragging, students' behavior on the campus and in the hostels as framed by the University will be applicable to and binding on all students.

### **Instructions/Guidelines for Filling out the Online Application Form for Admission**

Download the information brochure 2023-24 from the website and read carefully before filling up the admission form. (<http://www.mgug.ac.in> >Admissions > information brochure 2023. Pre-requisites for applying online and keep following documents ready-

1. Aadhar card
2. Email ID of the candidate (abcde@gmail.com)
3. A scanned copy of the photograph and signature, ensuring that all required scanned images should be in.jpeg or pdf format with the mentioned specifications:
  - File Size of the photo image must be less than 50 KB.
  - File Size of the signature image must be less than 30 KB.
4. Mobile Number of the candidate.
5. Pin Code with the details of Permanent & Correspondence Address.

**Note :** Once the payment for a programme is confirmed, no changes to the programme, Category, Applicant Name, Father Name, Date of Birth, Mobile number, e-mail id, Photo and Signature etc. will be allowed. Therefore, before payment and clicking on the "NEXT/SAVE" button, the details should be checked and confirmed by the candidate.

## Admit Card/ Counselling Slip:

The Admit Card will be downloaded by the candidate(s) from the University website <https://www.mgug.ac.in> as and when instructed/intimated and follow the instructions given therein.

## Combined Entrance Test (CET)

- I. In case state council decide to conduct admission process than admission rule of state council will be followed.
- II. Entrance Test comprising of 100 questions of 1 mark each, will be of 2 hours duration unless otherwise mentioned and will consist of multiple choice (objective type) questions with one correct answer. There will be no negative marking. The details/instructions for attempting the question paper will be given in the test booklet/question paper at the time of Entrance Test.

**Note :** Reservations in the university's various programmes will be made in accordance with government guidelines.

- III. The candidate should report at the concerned examination centre/Department at least half an hour before the commencement of the Entrance Test. The entrance tests will be held as per schedule given in Information Brochure 2023-24 uploaded on the University website. However, the University can change the schedule of entrance test, display of result of entrance test, display of merit list etc. For updates, candidates are advised to visit university website (<https://www.mgug.ac.in>) regularly.
- IV. If a candidate is found to be guilty of using unfair means in the Entrance Test, his/her candidature shall be cancelled.
- V. There shall be no provision for re-evaluation/rechecking of answer sheet of CET-2023-24.
- VI. If the number of applications in a programme are less than the sanctioned intake then no entrance test will be conducted and the concerned Chairperson will intimate the candidates in this regard.
- VII. In case, the entrance test(s), where applicable, could not be held, the admissions will be made on the basis of academic merit of qualifying examinations plus weightage(s).

### Reporting Of The Selected Candidate In The Department

Candidates who are provisionally admitted must maintain contact with their respective department for information on submitting all original documents (i.e. in support of Academic Qualifications, Character Certificate, Category Certificate, valid income certificate, anti-ragging affidavit (candidates & parents), migration certificate, etc.) as per his/her claim for admission, timetable, classes, and any other information.

The candidates are advised to submit two sets of photocopies with two passport size photographs of all relevant documents as mentioned above to the concerned department as per the date and time suggested by the HOD/in-charge. In case of failure to submit the above-mentioned documents, the admission shall stand cancelled automatically.
