

MAHAYOGI GORAKHNATH UNIVERSITY, GORAKHPUR
VACANCY NOTIFICATION

Advertisement No.: MGUG/Recruitment/2025/08/005

Dated: 25.08.2025

Mahayogi Gorakhnath University Gorakhpur, is a Multidisciplinary University that is continuously expanding its infrastructure across a 200+ acre campus at Balapar, Gorakhpur. The University offers Higher Education across diverse fields, including Medicine, Ayurveda, Pharmacy, Nursing, Agriculture, Allied Health Sciences, and Management & Commerce. Additionally, the campus is home to a upcoming state-of-the-art multi-specialty hospital which will provide 1,800 beds high-quality healthcare services to the community in and around the region, along with two functional multispecialty hospitals with 600+ Bed (Gorakhnath Chikitsalaya) and 200+ Bed (Mahayogi Gorakhnath Chikitsalaya) both at Gorakhpur.

Mahayogi Gorakhnath University, Gorakhpur invites applications from eligible, experienced and dedicated candidates for the following position:

Post: Biomedical Engineer

No. of Post: 01

Essential Qualifications and Skills:

- B.Tech/B.E. in Biomedical Engineering from a recognized university with at least 65% marks.
- Minimum 2 years of relevant work experience in a hospital or healthcare setup.
- Strong understanding of installation, calibration, maintenance, and troubleshooting of biomedical equipment.
- Familiarity with regulatory and safety standards for medical devices.

Desirable Qualifications and Skills:

- Experience in procurement and complete lifecycle management of hospital equipment across Radiology, Pathology, and other clinical departments.
- Exposure to a wide range of Radiology Department equipment including X-Ray machines, CT scanners, MRI systems and Ultrasound machines with working knowledge of their operational protocols and maintenance requirements.
- Exposure to NABH-accredited hospital systems with a focus on quality control, equipment calibration and documentation standards.
- Hands-on knowledge of operation and servicing of imaging, diagnostic and therapeutic equipment, including hematology analyzers, biochemistry analyzers, immunoassay systems, centrifuges, and microscopes in the Pathology Department.

- Well-versed in coordinating preventive maintenance and breakdown servicing across various departments including ICU, OT, and Emergency, ensuring minimum downtime. Ability to manage AMC/CMC contracts, vendor negotiations, and periodic performance reviews of service providers.
- Certification or training in hospital equipment management systems, biomedical instrumentation, or healthcare technology management will be an added advantage.

General Requirements:

- The candidate must have obtained throughout first class (i.e., minimum 65% marks in 10th, 12th, UG, and PG).
- Degree(s) from reputed and recognized institutions.
- Strong technical knowledge, team coordination skills and commitment to ensuring high equipment uptime in hospital services.

How to Apply:

Eligible candidates may send their detailed resume along with supporting documents and a cover letter to hr.head@mgug.ac.in on or before **06th September, 2025**. Shortlisted candidates will be called for an interview.

Subject of Email: *Application for Biomedical Engineer*

Remuneration:

- Salary shall be commensurate with qualification, skills, and experience as per university rules.

Note: The University reserves the right: (i) To fill or not to fill any or all the posts advertised for any reasons whatsoever. If any vacancy arises after a particular post is filled, the vacancy shall be advertised. (ii) To withdraw the advertisement, either partly or wholly, at any time without assigning any reason.
